**Under the Patronage of H.E.  
Minister of Health**

**Dr. Saleh Al – Hasnawi**

**The Directorate of Health and  
College of Medicine in Basrah  
will organize the First Interna-  
tional Oncology Conference**

**May 6 – 7, 2009**

*(Working Together Toward  
Community That Cares For  
Cancer Patients)*

**On the premises of Basrah  
College of Medicine**

### **Mission of the conference**

The conference aims at bringing together experts and researchers and community leaders to discuss recent advances in the field of cancer, and to exchange ideas about the best ways of its management and methods for reducing its incidence. It also looks at the optimal care that can be offered for cancer patients, supporting them psychologically, physically and economically.

Moreover, a priority is given to unify efforts for future research in relation to cancer.
